

WHITEWALL WASHING STATION

BENIFITS

- *ONE LOCATION CLEAN-UP STATION
- *READY SUPPLY OF WATER (HOSE NOT NEEDED)
- *COLLECT RESIDUE FOR SAFE DISPOSAL
- *ROLLERS HOLD TIRE IN PLACE WHILE ROTATION
- *PLACES TIRE IN AN UPRIGHT-EASY TO WORK ON POSITION

Cleaning up of new tire white walls and raised letters can be a nuisance job-time consuming and sloppy. Plus in some areas it's frowned upon to allow this material to find it's way into the storm sewers systems. Our WHITE-WALL WASHING STATION solves these problems in a fast, low cost and efficient way.
